

AIVESTIRE

Where Designers Drop & AI Styles You

Creator / Partner Terms & Conditions

Please read the following terms carefully before onboarding as a partner on our platform.

1. Collaboration Model

- The platform operates on a made-to-order model.
- All products will be sold under the platform's brand name.
- Designers/brands will act as production partners.
- Only high-end couturier fashion designers are accepted.

2. Product Listing & Design

- Only approved designs will be listed on the platform.
- All designs must be original and must not be copied.
- The platform reserves the right to accept, reject, or suggest modifications to any design.

3. Product Images & Submission

- Clear, high-quality images are mandatory.
- Required views:
 - Front view
 - Back view
 - Side view
- Additional requirements:
 - Close-up of fabric
 - Close-up of embroidery / print / detailing
- Images must show true colour (no heavy filters).
- Poor-quality images may lead to rejection.

4. Orders & Production

- Production begins only after order confirmation.
- Expected timelines:
 - Simple designs: 5–7 days
 - Complex designs: 7–9 days
- Any delays must be communicated to the platform in advance.

5. Quality Check (QC) & Dispatch

- All products will undergo a quality check (QC) by the platform team.
- Products will be dispatched only after QC approval.

- Products failing QC may be returned to the partner for correction.

6. Pricing & Commission

The platform will charge a commission on each order. The final payout will be calculated as:

$$\text{Final Payout} = \text{Product Price} - \text{Platform Commission} - \text{Applicable Shipping Costs}$$

Commission Structure

Order Value	Platform Commission
₹0 – ₹1,000	₹150
₹1,001 – ₹2,000	₹250
₹2,001 – ₹5,000	₹400
₹5,001 and above	Custom (agreed upon onboarding)

How your pricing works: You decide your product price — that amount is always yours in full. The platform lists your product by adding its commission on top of your price as shown in the table above. The customer pays your price plus the platform commission. You will always receive exactly the amount you set, with zero deductions from your decided price.

Shipping Cost Responsibility

- If the partner's store or studio is located outside Jaipur, the cost of shipping the finished product to the platform's warehouse or designated location will be borne by the partner and deducted from the final payout.
- In the event of a return or refund, the reverse shipping cost (from customer back to the partner) will also be borne by the partner if the return arises due to a manufacturing defect, quality issue, or sizing error.
- Shipping costs for orders handled within Jaipur will be managed by the platform.

7. Payment Terms

- Payments will be processed only after successful delivery of the order and completion of any applicable return/replacement window.
- In the event of returns, refunds, or disputes, the payout may be adjusted accordingly before release.
- Payments are released on a fixed cycle — 17th of every month.
- Payments will be transferred via bank transfer or UPI.

8. Fabric & Cost Responsibility

- The partner is responsible for sourcing fabric and managing all production costs.
- All costs related to fabric, stitching, and finishing are to be borne by the partner.

9. Size & Measurements

- Accurate size charts must be provided by the partner.

- Garments must match the selected size specifications.
 - Errors in sizing may lead to returns, and associated costs will be the partner's responsibility.
-

10. Quality & Finishing

- The partner is solely responsible for:
 - Fabric quality
 - Stitching and finishing
 - Fit and construction
 - All products must meet the platform's quality standards.
-

11. Returns & Replacements

- In the event of manufacturing defects, the partner must repair or replace the product at their own cost.
 - Return cases will be handled based on the nature of the issue.
 - After 1–2 return warnings due to quality issues, sizing errors, or manufacturing defects, additional charges may be applied, including logistics and reverse shipping costs, and any other expenses incurred by the platform in processing the return.
 - Repeated returns may also result in a reduction of the partner's commission rate or a discount adjustment as determined by the platform, in addition to any applicable penalty charges.
-

12. Liability & Refund Policy

- The partner will be solely responsible for any manufacturing defects, quality issues, or sizing errors.
 - In such cases, the partner must bear the cost of repair, replacement, or refund, as applicable.
 - The platform will not be held liable for any losses arising due to partner-side errors, delays, or non-compliance with quality standards.
-

13. Shipping & Packaging

- The platform manages delivery to the customer.
 - The partner must prepare the product within the agreed production timeline.
 - Proper packaging is required to prevent damage during transit.
-

14. Communication

- Partners must respond within 24 hours to any queries or updates.
 - Timely communication is essential for smooth operations.
-

15. Sustainability (Encouraged)

- The platform encourages the use of sustainable and skin-friendly fabrics.
 - Designers using such fabrics may receive additional visibility and benefits.
-

16. Performance Monitoring

- Performance will be reviewed based on:

- Product quality
 - Timely delivery
 - Customer returns
 - Consistent performance is required to continue collaboration with the platform.
-

17. Rewards & Recognition

- Designers with strong performance records (good quality, no QC failures, and minimal returns) may receive:
 - Higher visibility on the platform
 - Priority consideration for future collections
 - Additional benefits and incentives
-

18. Performance & Discontinuation Policy

- Repeated QC failures or returns due to poor quality or colour mismatch (more than 1–2 occurrences in a month) may lead to discontinuation.
 - Repeated delays in production timelines (more than 2–3 occurrences in a month) may lead to discontinuation.
 - These measures are in place to maintain platform quality and a positive customer experience.
-

19. Order Delay & Cancellation

- The partner must complete the order within the agreed production timeline.
 - In the event of a delay, the partner must inform the platform in advance.
 - If an order is delayed beyond the acceptable timeline and is cancelled by the customer, the partner may be held responsible for the resulting loss.
 - In such cases, the platform reserves the right to:
 - Deduct applicable costs (if any)
 - Reduce future order allocation
 - Take action as per the performance policy
 - Repeated delays leading to cancellations may result in discontinuation of the partnership.
-

20. Design Usage

- Designs shared with the platform will be used solely for selling on the platform.
 - The platform will not share designs with other partners without prior consent.
-

21. Design Upload Guidelines

- Each partner may upload a maximum of 30 unique designs as per the onboarding agreement.
 - A 'unique design' refers to a distinct pattern, silhouette, or style.
 - Variations of the same design (such as different colourways of the same pattern) will be counted as one unique design.
 - The platform reserves the right to limit or curate design uploads to maintain quality and uniqueness on the platform.
-

22. Active Participation

- Partners are expected to remain active and responsive at all times.
 - Inactive partners may be removed from the platform.
-

23. Termination

- The platform reserves the right to discontinue collaboration if terms are violated or quality standards are not met.
-

24. Launch Selection

- Onboarding is limited and selective.
 - Selection is based on design originality, quality, and production capability.
-

By proceeding with onboarding, you agree to all of the above terms and conditions.

Welcome to the AIVESTIRE Family
